

Camp New Hope, Inc. More than just a camp!

Camp New Hope has openings for new campers this summer.

Our camp is a nonprofit organization serving people who have developmental disabilities. Since 1977, the Jaycees (leadership training organization) throughout Illinois have provided camping sponsorships for special needs people to go to Camp New Hope. Our summer staff is led by Camp Director Terri Taylor, who has 30 years of professional camp experience.

www.myfavoritecamp.org

What is it like to go to our camp? Every camper comes for one week during the summer, as one of a group of 40 campers for that week. Every camper is part of a small group of 6 or 7 campers supervised by at least 3 paid staff per small group. This team stays together for all activities, including boating, fishing, swimming, games, music and arts and crafts.

Where is it? Our camp is located in Southeast Illinois, near Mattoon. It is 15 miles north of Effingham, and 52 miles south of Champaign. Directions are on our website, www.myfavoritecamp.org.

Who can go? The camp accommodates people who have developmental disabilities. These campers have widely diverse needs and abilities. We are a favorite camp for many wheelchair users. We have camping for people of all ages over 8 years old, including adults. We schedule campers of the same approximate age to attend camp together.

Our Accessible Facilities include: Mini-golf area, Pontoon Boat, Fishing Deck, On-Site AED (Automatic External Defibrillator), Playground, Sleeping Cabins with Air Conditioning, 2 miles of accessible, shady, and beautiful trails, Swimming Pool (only 3 feet deep in all areas for safety, with pool lift and shaded deck) ...and the Camp New Hope train!

Find out more about going to Camp New Hope. Visit www.myfavoritecamp.org, call Kim Carmack, Executive Director at 217-895-2341, or mail this form to Camp New Hope, Inc., PO Box 764, Mattoon, IL 61938.
